## Welcome to Coronet Studios!

A nation that loses its forward thrust is in danger, and one of the most effective ways to retain that thrust is to keep exploring possibilities. and how insignificant we really all are, but then how fortunate we are to have this body and to be able to enjoy loving here amongst the beauty of the earth itself. and it required... be humble for you are made of earth. but it can be rationally directed towards our species goal: space migration, which in turn offers the only way to re-attain individual freedom of space-time and the small-group social structures which obviously best suit our nervous systems.
