Washington Zoos

Woodland Park Zoo

Woodland Park Zoo saves animals and their habitats through conservation leadership and engaging experiences, inspiring people to learn, care and act.

Point Defiance Zoo and Aquarium

Point Defiance Zoo & Aquarium (PDZA) is the only combined zoo and aquarium in the Pacific Northwest. The 29-acre zoological park is the No. 2 tourist destination in Pierce County, second only to Mount Rainier and attracts over 600,000 visitors a year. The Zoo sits within 700-acre Point Defiance Park, offering spectacular views of Mount Rainier, the Olympic Mountains and Puget Sound. PDZA is operated by the Tacoma Metropolitan Park District.

Northwest Trek

Northwest Trek Wildlife Park offers an unparalleled opportunity to see native animals and their natural habitats up close and personal. This unique 725-acre park is home to more than 200 animals that are native to the Pacific Northwest region of the United States and Canada.

Seattle Aquarium

The heartbeat of hands-on marine experience and preservation education in the Pacific Northwest, the Seattle Aquarium offers fun, exciting ways to discover more about the amazing Puget Sound that surrounds you! Join us in our mission: Inspiring Conservation of Our Marine Environment.

THE REPTILE MAN

SCOTT PETERSON

Scott has performed for over 800 schools in the Northwest. Corporations such as Microsoft, Boeing, and Eddie Bauer have found this program to be exciting for all ages. Scott has appeared on Disney's nationally televised "Bill Nye – The Science Guy" and his other credits include Evening Magazine, Northwest Afternoon, Town Meeting and Q13 Kids Club.

Scott is fully insured and has teaching credentials. He has a teachers State Patrol Certification on file with the State Superintendent of Public Education. This program will create an interest in the natural sciences and teach students about the importance of all animals in the balance of nature.
